

UNTITLED BURIAL

I. ABOUT MUSIC

UB is promoting:

- Dark Ambient / Darkwave
- Witch House / Post Witch House
- Wave / Future Garage (only dark and atmospheric vibes)
- Experimental (only dark and atmospheric vibes)

II. ABOUT YOUTUBE CHANNEL

Main rule - make stunning art with your music and with visuals used by UB.

The main requirement - quality, uncommon music with mood. Please don't send your happy chill tunes and rap. Check out UB uploads first to make sure that your music fits.

Send your submissions via email or pm UB on social media pages. UB may not reply to you if your stuff isn't good enough or it doesn't fit the channel. Be patient.

You need to send:

- Audio files (FLAC / WAV / MP3) or download link
- Links to your pages (at least soundcloud and facebook or vk)

UB is making:

- Regular uploads
- Videos (unofficial or official if you have footage)
- Mixes with visuals

All uploads will be shared to all UB social media pages.

III. ABOUT RELEASES ON LABEL

Same rules as above. Be ready to work together on releases to make them as good as it possible.

Rules:

- UB releases are exclusive, so if you are making something for UB you can't release it on other labels
- Albums should consist at least of 7 tracks / EP should consist only of 3 or 4 tracks
- UB may request to improve or change your tracks
- You must notice UB about planned release as soon as it possible

UB is also making:

- Promo videos
- Promo arts
- Cover arts
